

Capability Statement

LEED Statement: 100% post-consumer recycled glass can be added to our concrete products, along with reclaimed aggregates and fly ash, to achieve a mixture that is approximately 75% recycled content overall. In fact, under the "MR" credit category for LEED project certification, our waste receptacles satisfy both "Re-used Products" and "Recycled Content" criteria.

Company:

Dawn Enterprises, LLC is a Connecticut based, small business founded in 1975. Dawn Enterprises, LLC is a manufacturer and distributor of pre-cast concrete, stone aggregate, steel and plastic site furnishings.
